## ABOUT ME

My name is Lydia Reyna. I dedicate my time to the upholstery business with passion. I have 35+ years of experience in interior and outdoor upholstery; therefore, I specialize in boats, curtains and modern furniture as well as antiques.

Your time as well as mine means a lot to me. Making you satisfied and happy is always my goal. Give me a call if you're in need of a new change in your furniture; consequently, I have customers who have come back after 10 or 15 years just to do it all over again.

HONESTY  
QUALITY  
WARRANTY

**These are the three points that I emphasize in my work:**

**Integrity** is the qualifications of being **HONEST** and having strong moral principles; moral uprightness. It is generally a personal choice to hold oneself to consistent moral and ethical standards. In ethics, integrity is regarded by many as the honesty and truthfulness or accuracy of one's actions.

**QUALITY:** In manufacturing, a measure of excellence or a state of being free from defects, deficiencies and significant variations. It is brought about by strict and consistent commitment to certain standards that achieve uniformity of a product in order to satisfy specific customer or user requirements.

We make an important promise to stand behind the product. It's called a **WARRANTY**
