By Lydia Reyna, Owner

## Antique and modern furniture up to 50 percent off.

We work from 10 in the morning until 6 in the afternoon. Monday through Friday and Saturdays by appointment.

We're getting out of some furniture that we've been upcycling and it's like new. We believe in helping the community and that is one of the reasons we are not applying what others call "inflation".

We are offering discounts of up to 15% on our upholstery services. And up to 50% on the sale of recycled and new furniture. We have a variety of furniture from antique to modern.

My name is Lydia Reyna and I dedicate my time to the upholstery business with passion. I have forty-one years of experience in interior and outdoor upholstery; therefore, I specialize in **boats, RV, curtains and modern furniture** as well as **antiques**.

Your time as well as mine means a lot to me. Making you satisfied and happy is always my goal.

Give me a call if you're in need of a new change in your furniture; consequently, I have customers who have come back after 10 or 15 years just to do it all over again.
